

1. If scientists hadn't discovered DNA...

2. If the wheel hadn't been invented...

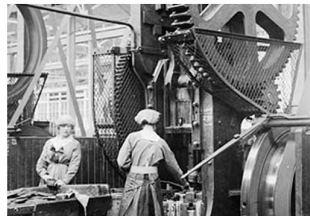

3. If the Civil Rights Movement hadn't happened...

4. If the plane hadn't been invented...

5. If the industrial revolution had never occurred...

- a) ... Henry Ford would have never invented the automobile in 1913.
- b) ... we wouldn't have achieved the rights we enjoy today.
- c) ... sailing-ships would have been the only option to cross the Atlantic.
- d) ...many crimes would have never been solved.
- e) ... certain technology like computers or the internet would have never existed.
